Tuesday, July 22, 2025 - Day 2

How energized do you feel this afternoon?

What was your biggest "A-HA" moment from Days 1 and 2?

DiSC assessment and the blending

I really enjoyed learning about everyone's DISC Styles.

MOLLI GAMES!

Group DISC Results

That incorporating a different DiSC style will be challenging for me.

I liked learning about the DISC style

I'm very unsure about which aspect of higher education I want to steer my career towards.

Some very prestigious schools don't have very good strategic plans.

What was your biggest "A-HA" moment from Days 1 and 2?

The diversity of people's career into highered

The commonality so many of us shared with the DiSC

Picking projects was intense!

I liked the games on day 1

Thinking about the DiSC styles of my coworkers

The way "other" strategic plans can impact online learning

DiSC results

The sauce with the Pretzel!

What was your biggest "A-HA" moment from Days 1 and 2?

DiSC assesement and Strategic Plan

Key note speaker said "Take necessary action".

Bridging across 2 or 3 leadership styles

Day 1- need a laptop of my own again. Day 2 - Red, yellow, green indicators to identify how students can use AI for their assignments

Benefits of Pressbook. DiSC survey and how I compare with colleagues.

When my group said that they do similar things and have similar challenges with respect to online courses.

I realized that with my DISC personality result being SC that I have to gauge how I interact with members with other DISC qualities.

I enjoyed the reflection activity share out and aha moments are leadership is being reflective, Enjoyed the disc sessions, excited about the high impact project

How well did your DiSC style show up in today's sessions?
